(W) Width	9-3/4"
(D) Depth	11-3/8"

OBJECTIVE

The MiniMe P8 is built for those who love to experience music and movies at full throttle but do not have the necessary space for the full size subwoofers.

Earthquake's MiniMe P8 subwoofers bring vibrance to town homes, condos and apartments that definitely do not have the space or tolerance for 12" and 15" subwoofer systems. Additionally, the can be added to RV's and yachts for a high-end performance that will fit just about anywhere.

Available in 7-layer piano black lacquer as well as piano white lacquer, the MiniMe P8/P8White will add a whole new dimension of entertainment to your home theater system.
